Tel:(818) 429-4889 Fax:(323) 446-7646

Congratulations and Thank You for the purchase of the Repair Kit, installed in your RAV4 Engine Control Module!

MUST BE DONE AFTER ECM INSTALLATION:

Drive the vehicle in “STOP AND GO” pattern for 15-20 min, this will allow ECM to learn new Adopt Shifting Memory. Please don't drive fast and don't force acceleration.

Be advised, that repairing ECM will not fix internal transmission problems.
